Mulder and Scully return from Antarctica to discover they've been reassigned and are no longer a part of the X-Files. Scully turns to fear when Cassandra Spender, a woman who claims to have been abducted the same night as Mulder's sister, with claims of an alien threat. But it is an extra-terrestrial artefact found off the coast of Africa which may hold the key to the very origins of life on Earth and which has an unexplained and deadly effect on Mulder.

travels to Africa to unravel the secrets of the alien artifact that led to Mulder's brain disorder and discovers what appears to be an alien spacecraft buried under the shoreline off the Ivory coast. In Oregon, Mulder uncovers a UFO hidden in the woods by a cloaking device, and is abducted by an alien bounty hunter as the UFO flies away.

er still missing, Scully partners up with Special Agent John Doggett and investigates several X-files cases. Doggett introduces y to agent Monica Reyes, an FBI ritualistic crime specialist. Mulder returns and learns of the existence of Super Soldiers – unstoppable alien warriors created to ensure the alien colonization of Earth.

Season Nine of the X-Files (including the 2 hour series finale) we cover the revelations about Scully and Mulder's baby in "Nothing Important Happened Today", and the mystery surrounding the murder of Agent Doggett's son in "Release" to Mulder's final confrontation with those who would deny "The Truth".

4 years after the original series run, the next mind-bending chapter of The X-Files is a thrilling, six-episode event series from executive producer Chris Carter, with stars David Duchovny and Gillian Anderson rehashing their roles as iconic FBI agents X Mulder and Dana Scully. Mitch Pileggi also returns as FBI assistant director Walter Skinner, Mulder and Scully's boss, who walks a fine line between loyalty to these investigators and accountability to his superiors.

der and Scully's pursuit of the truth continues with a search for their long-lost son, William. But they aren't the only ones looking for him, dark forces gather, and the very fate of the world could be at stake. One thing is certain: secrets will be revealed... and the truth may finally be within reach.
