

BEHIND THE MYSTERY
LIE THE SECRETS.
BEHIND THE SECRETS
LIES AN ASTONISHING
DISCOVERY.

Is there a secret you would kill to know? In this electrifying, suspense-packed thriller from director Christopher Nolan (*Batman Begins*, *Memento*), Hugh Jackman and Christian Bale play magicians whose cutthroat attempts to best each other plunge them into deadly deceptions. Scarlett Johansson also stars as the stage assistant who's both a pawn and player in their rivalry. A brilliant supporting cast (including Michael Caine and David Bowie). An ingenious story. An astonishing payoff. Once you see *The Prestige*, you'll want to see it again. Watch closely.
