Experience the original landmark motion picture that inspired a new generation of digital filmmakers and became a favourite of fans and critics across the world. Re-live the electrifying thrills of TRON with state-of-the-art digital restoration and enhanced high-definition sound.

When a brilliant video game maker named Flynn (Jeff Bridges) hacks the mainframe of his ex-employer, he is beamed inside an astonishing digital world and becomes part of the very game he is designing. Complete with hours of bonus material, it's an epic adventure that everyone will enjoy!
