

PERFECT PICTURE & PUREST DIGITAL SOUND

A spine-chilling masterpiece from director Alfred Hitchcock, 'Vertigo' is hailed as 'unmissable' with 5 stars from Empire Magazine; "Gripping throughout with frame upon frame of standout images and superb performances from the two leads".

Detective Scottie Ferguson (James Stewart) is hired to shadow a suicidal young woman, only to find himself lured into obsession. When his neurotic fear of heights prevents him saving Madeleine from plunging to her death, he is left devastated and trudging the streets of San Francisco. It is here he meets Judy, a woman remarkably like his lost love, and the truth begins to unravel....
